

# Primos Elementary School

861 Bunting Lane, Pa 19018

Date: April 28, 2014

On behalf of the Upper Darby School District and Primos Elementary School, thank you for supporting 5<sup>th</sup> Annual Autism Awareness Fair on April 23<sup>rd</sup> 2014. Your donation is greatly appreciated and important to our fundraising success. With your generous giving, the event raised more than three thousand dollars for our Autistic Support Program, which will allow our students to take field trips that provide social skills and promotes community awareness; in addition the funds will allow our teachers to purchase supplemental classroom materials.

Primos Elementary School, currently educates over 60 students with Autism in grades kindergarten through third grade. We are proud to provide an excellent education for our students. The Autism Awareness Fair is an opportunity for the parents of our students and surrounding community to become familiar with different types of resources and therapies that are available in our surrounding local area.

We could not do it without the generous support of a caring community and sponsors. Thank you again for your thoughtful donation.

Sincerely,

Meghan McKniff

Autistic Support Teacher
