Dear Bob Purpura,

On behalf of The Healing Consciousness Foundation, I want to thank you for your donation in the amount of \$400.00. This donation will help support many of our breast cancer patients on their healing journey.

Women and men who are in the process of healing after a diagnosis of breast cancer need services to help them recover. Our foundation provides many needed services including Reiki, guided imagery, massage, spiritual counseling, psychological counseling, fitness classes, yoga, acupuncture and financial assistance for uncovered medical services. As our foundation grows and expands, we will continue to add more services and practitioners to assist in the process of healing.

Without the generosity of donors we would not be able to continue our healing mission. We have lots to do in the future and I am blessed to be on the path with you.

Enclosed are copies of our educational pamphlet Think Pink, Live Green – A Step-By-Step Guide to Reducing Your Risk of Breast Cancer for you to share with your customers.

Thank you from the entire Foundation Board.

Warm Regards,

Ann Griffiths | Executive Director
